Spinning Dreidel

You need: scissors, a glue stick and a short pencil

How to make it

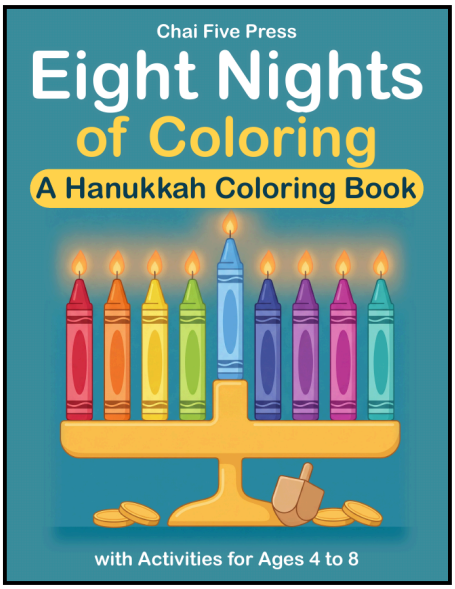

1. Color the dreidel. Cut around the solid black line.
2. ✡ A grown-up pokes a hole through the dot on the lid.
3. Fold on every dashed line.
4. Glue the side flap inside to make a box.
5. Glue the bottom flaps inside to make a point.
6. Glue the top flaps under the lid.
7. Push a short pencil down through the hole until its tip pokes out of the point. Spin it!
